WHAT WE CARE FOR

CLEAN PERIODS
We conduct awareness sessions on Menstrual health with adolescence school going girls. We motivate girls to use cotton pads instead of disposable sanitary pads as disposable sanitary pads contain harmful chemicals.

WINGS OF DESIRE
We bring the people with disabilities under one roof and providing them an opportunity to show up their skills. We are providing employment to needy and disabled ladies and create a sustainable social business model.

23 Million

girls drop out of school annually due to lack of proper menstrual hygiene management facilities.

Through donation drives, we plant seeds of hope in slum communities, cultivating a garden of opportunity and dignity for all.
